ABOUT THE NGO(SWARNANDHRA SEVA SAMSTHA)

- ❖ The Swarnandhra Seva Samstha is a not-for-profit voluntary organisation based in Rajamahendravaram, East Godavari, Andhra Pradesh, India. Our organisation strives to ensure the well being of the disadvantaged.
- ❖ “Even the smallest of your contributions can make a big difference to others’ lives”. These words of our founder Shri Ln. Dr. Gubbala Rambabu have been guiding us through thick and thin, while being committed to the goal of standing by the needy.
- ❖ The founder of the NGO who was deeply moved by seeing the strenuous work being done by emaciated old people decided to provide them with food and this marked the beginning of the formidable journey of Swarnandhra in 1998.
- ❖ Thus it emerged as the first recourse for the Needy. They took up a multitude of social service activities like looking after the Elderly, Safeguarding their rights, free tuition for children, tailoring classes to encourage self empowerment of home makers, Wall of happiness program (collection of old clothes and distribution to the deprived), volunteer internship program, blood donation, library, free medical camps, she-drive (free driving classes), free computer classes, supporting the maintenance of the night shelter for the homeless and so on.

❑ **VISION AND MISSION OF THE ORGANIZATION:**

Helping the needy, furnishing the necessities, feeding the hungry, distributing clothes , facilitating the assimilation of knowledge, providing shelter to orphans and geriatrics.....these form the aim of Swarnandhra Seva Samstha.

- The age group of beneficiaries in the home is in between 50- 70 Years. The Beneficiaries have been provided with hygienic food, water, well clothing and accommodation. Every day we are providing Nutrition up to 300 Old Aged poor people.
- Events and programs conducted by the organization are following:
 - » Distribution of 300 wheel chairs to the differently abled
 - » Upliftment of the facilities and conditions of government schools for the blind and the dumb .
 - » Dispensation of sarees,blankets,walking sticks and other necessities.
 - » Free distribution of notebooks and school bags to poor students .
 - » Organisation of 1008 free Medical Camps across the district.
 - » Dispensation of blood to thousands of people and Organisation of about 120 Blood donation camps.
 - » Helping the victims of fire accidents and natural calamities.
 - » Organising around 900 awareness campaigns on social issues.
 - » Conducting awareness programmes on mosquito eradication in collaboration with Eenadu,
 - » Extending extensive services to pilgrims during 2003&2015 Godavari Pushkaralu.

DAY-1

- I have attended the host lecture of NGO on my first day.
- Lecture was addressed by founder of the organization Dr. Gubbala Rambabu sir.
- There were many students in the hall with me who are also attending the lecture.
- The founder told events and services which are happened by them and he also told us about some programs initiated by that NGO.
- He also explained about the social related issues being faced by the society.
- He told to us what we should do in the organization in those 30 hours in a planned way.

DAY-2 and 3

- On the day 2&3, I have served mid-day meals to old age people living in the old age home.
- Not only for them I have also served meals to the poor people who came to eat to that place.
- Many people on their special days like birthdays , marriage anniversary used to come to the organization and donate money to the organization to feed the poor people.
- I have served sweet as kaja, tiger rice, soya chunks curry, white rice , dal, sambar and curd.
- I have seen the happiness in their faces when I was serving.
- On every day I used to serve for 20 members.
- From that day I got to know the value of food.
- I have seen many people who are suffering without eating food.

ON DAY 2 and 3:

DAY-4 and 5

- On the day 4&5, I was asked to work in the wall of happiness program which was initiated by the organization.
- I have participated in wall of happiness where I should collect clothes from people in nearby places.
- People given some pair of clothes which they are not wearing
- After collecting those clothes I used to fold them neatly and put in a bag.
- On those two days I have neatly folded and kept in a bag are nearly 50 bags.

DAY-6 and 7

- On day 6&7, I have participated in mobile service program which is a initiative by the organization.
- In that mobile service program we went to Pushkar Ghat a place near river Godavari where I served food to the poor people.
- Many poor people came to eat the food served by us.
- With many variety of items in a meal I have served to the poor people.
- After they completed eating I gave them clothes in a bag which were packed by me on day 2 and 3.
- I have served nearly to 80 members on those two days.

DAY-8 and 9

- On the day 8&9, I have participated in distributing large size of umbrellas which was a initiative by the organization.
- They have taken me to a town where I have distributed large size of umbrellas to needy workers.
- Mainly they have identified some workers who are working without shelter.
- Umbrella was also given to a worker who is working as cobbler under a tree and umbrella was also given to a physically handicapped people.
- As a good thing, Mandal revenue officer(MRO) and police officers also joined in the distribution.

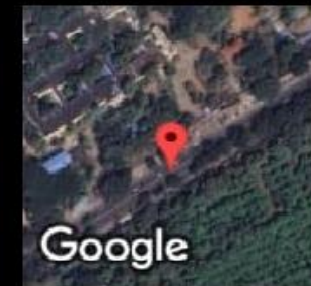

DAY-10

- On the day 10, I have given a blanket, a mango and a pack of bread to some old age people.
- Pollution is increasing day by day which is leading to global warming
- Due to that, I have planted some plants near the organization as I have told them to water the plant.
